# School Breakfast & Lunch Free for all Students

Dear Parent or Guardian,

Here at Lebanon School District we are committed to providing every student in our school community with all the tools they need to succeed, including nutritious meals that everyone can enjoy together.

**The National School Breakfast and Lunch Program Community Eligibility Provision (CEP) allows all children enrolled in Lebanon School District to eat free breakfast and lunch, no application required!**

\*No further action is required of you. Your child(ren) will be able to participate in these meal programs without paying a fee or submitting an application.

Extra servings, ala carte (snack) items, and beverages will be available for purchase to students. Charging the sale of these items will not be permitted.

I am writing to share with you this exciting news and to ask that you help us ensure our meal program is a success by having your child participate in school breakfast and lunch every single school day.

**Part of what makes a great school culture is everyone sharing the same meal together.**

When all of our students are eating the same meals together, our cafeteria will become a place to learn more about new foods, make healthy choices, and fuel up for learning and play.

I hope you will join us in supporting this exciting program. Please feel free to contact me with any questions and to discuss any special dietary needs.

Sincerely,

Krista Edinger
